Action taken report of IAQC

Under the chairmanship of the HEI the coordinator of IQAC held a number of meetings with its members in last four years to discuss several matters regarding the development of infrastructure, quality enhancement and internal administration. After passing the resolution on the following issues the IQAC ensured the implementation of its plan in time.

1. The computerization of the administrative and financial works with the customized administrative software has been completed.

2. The under graduate Honours course of Philosophy , Education, Sociology, Physical Education, Physiology and Statistics and Post graduate course in Bengali have been introduced.

3. Computer application (Major) course has been introduced at undergraduate leve.

4. Women Cell has been opened for Gender Sensitization.

5. The software 'SOUL' has been installed. An anti-theft Library gate has been constructed.

6. DODL program has been introduced.

7. Promotion of teachers under CAS has been implemented.

8. Two Guest Assistant Librarian and one casual non-teaching staff in the department of commerce have been appointed.

9. Fire-extinguisher and Intercom system have been installed.

10. Proper maintenance of Aquaguard and college buildings has been arranged.

11. 48 numbers of CCTV cameras have been installed in college premises.

12. The construction of smart class room and a well equipped seminar hall have been made.

Besides the implementation of the above mentioned items, IQAC continuously monitors different requirements of college for the benefit of students and staffs and make useful suggestion to the HEI.
